Dear Mr. Lesar:

This is in reference to your letters dated December 7, 1975, to the Deputy Attorney General, and December 7, 1975, to the Archivist of the United States, both of which were referred to the FBI.

The FBI is currently reviewing all Warren Commission documents which have been withheld from public researchers. Since your client, Mr. Harold Weisberg's, request for Warren Commission document 1347 is contained in the review of this material, the National Archives will make available our decision as to the disclosure of this document in the very near future.

Sincerely yours,

Clarence M. Kelley
Director
